Dear KAM Supporter:

The Kansas Aviation Museum invites you to participate in our annual fundraiser, the Swinging Soiree, on April 1, 2023. Last year, this Gatsby-style, 1920s party was a roaring success with over 250 attendees enjoying aerial acrobats, swing dancers, a live big band, tasty appetizers, a champagne diamond pull, and for VIP guests, a speakeasy in an airplane! We look forward to enhancing our 20s period-fun with some new exciting entertainment this year!

Your sponsorship would be the 'Cat's Meow' and help support both museum operations and our STEM education offerings. In addition to supporting the museum, you will receive publicity on social media and on-site, event tickets, discounts on venue rentals, and museum passes (per sponsorship level). In addition, you will rub elbows with Wichita's Big Cheese at our VIP-only Speakeasy on the Static.

You won't want to miss this over-the-top fun event, and you'll be the Bee's Knees for our cause in 2023!

Thank you for your consideration,

Dalton Glasscock, Event Co-Chair
